 - Recently viewed
 - Recommended for you
 - Favorites

3. The section, **Achievements** is where you can quickly see the courses you've completed, plus:

- How you stack up on the leaderboard
- Badges earned
- Points earned

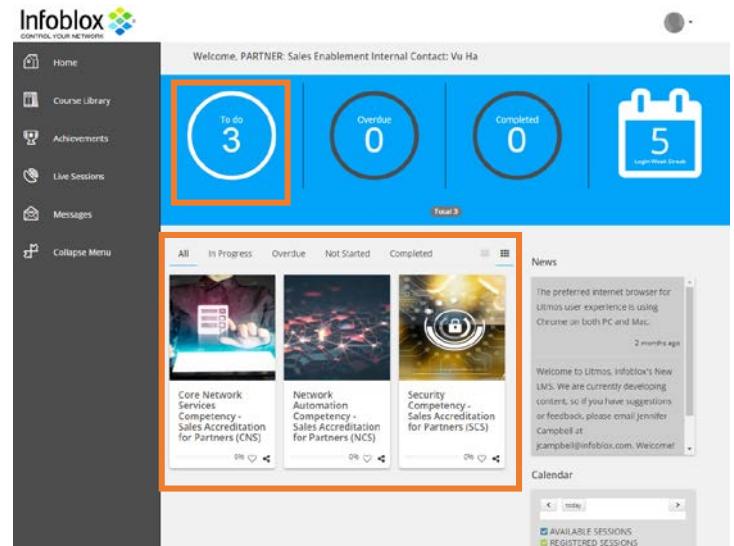

3. Locate Assigned Courses

Infoblox Accreditation courses may be assigned to you and will appear directly on your Litmos dashboard. The steps below outline how to locate the assigned training.

1. On the **Home** page, take a look at your dashboard view.

- **To do:** Identifies the number of required trainings to be completed

The courses will appear on the page below, indicated by the status of "All, In Progress, Overdue or Not Started"

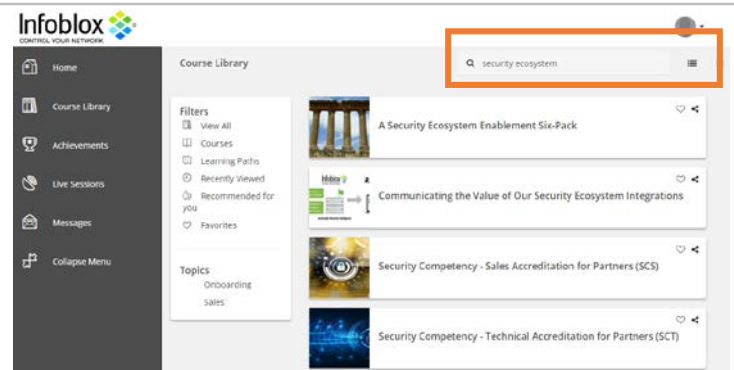

4. Search for a Course

The steps below walk you through how to search for a course within Litmos.

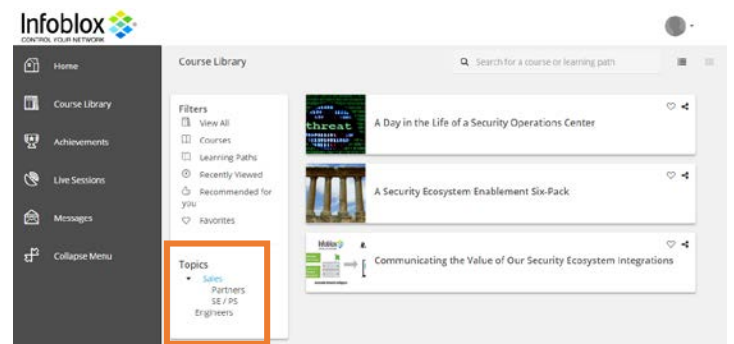

1. Let's search for a course!
How about, "security ecosystem"?

Start off by navigating to: **Course Library**

- **Option 1:** You can leverage the Search Bar and type in "security ecosystem"

- **Option 2:** You can search via the **Topics** Filter by selecting the appropriate Topic area and then scrolling through the full course library

5. Take a Course

The steps below walk you through how to select and take a course within Litmos.

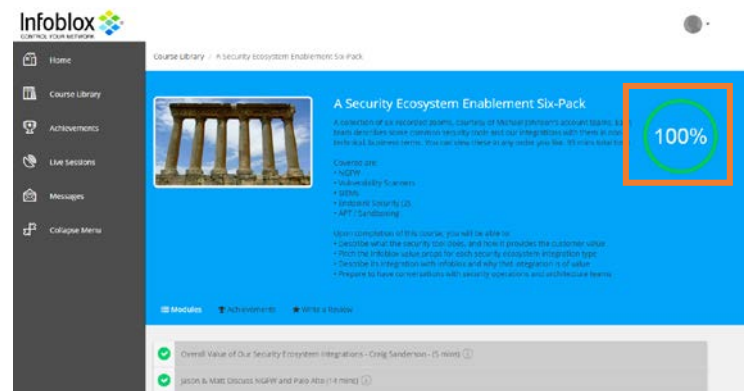

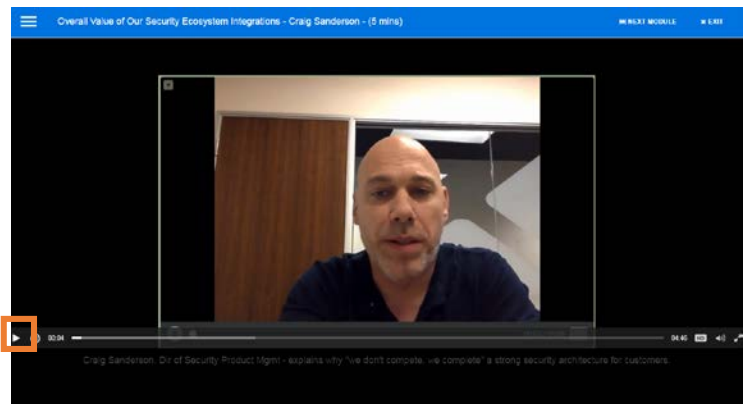

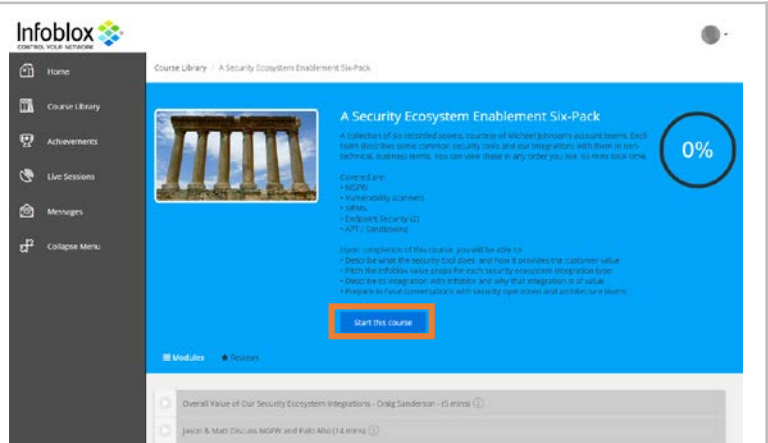

- Let's take a course!
How about, the "Infoblox Story Video" we just found?

After locating your course

- Select the course icon and the course page will display
- Select the button- **"Start this course"**

- The course will now play

- Upon completion of the course and assessment- *if applicable*, the course page will look like this with 100% completion
